

How to form a *Hope Walks Team* & *Raise Money*

Thank you for taking the step in participating in Hope Walks East Bay and learning more about how to form a team to raise more money for the care of the orphans and vulnerable children in Uganda and DR Congo. Teams play an integral part in the success of the walk. We encourage you to invite family, friends and co-workers to be a part and walk on your team. Walking is more fun when you are with the people you care about. Here are a few examples of teams:

Friends & Family Teams

Form a team; you can do it! Ask three or more friends or family members to join you, form a team, choose a name and start fundraising! Here's a chance to spend time with those you care so much about, while making a difference at the same time!

Corporate or Workplace Teams

Does your company have team spirit? Then show it at the Hope Walks East Bay. Companies of all sizes are encouraged to form teams. Forming a team of employees and their families is a great way to boost company morale and increase community visibility. It also builds teamwork, generates excitement and encourages friendly competition.

Organizations & Clubs Teams

Do you belong to a local church, youth group, brownies, school, Chamber of Commerce, cheerleading team, etc.? If so, you can form a Clubs and Organization Team with other members in your group! This is also a great way to get to know one another and create long lasting relationships.

Get Started!

Below are a few different ways in which you can create a team and/or join a team and begin raising money online. You can make a difference together as a team!
